

INNOVATIVE TURNKEY SOLUTIONS

*Enabling Excellence in -Pharmaceuticals,
Food & Beverages*

A Complete Range

CLEAN ROOM EQUIPMENT & FURNITURE | PHARMA EQUIPMENT
PRECISION S.S. & M.S. FABRICATION | SHEET METAL WORKS
GMP CHANGE PARTS FOR PROCESS EQUIPMENTS, PACKAGING LINES AND INJECTABLES

About Us

At **SPOC SCIENTIFICS**, we specialize in the **design, development, and manufacturing of high-quality Clean Room Equipment, Modular Laboratory Furniture, and Stainless Steel (SS) Pharma Fabrications**. With a team of seasoned experts holding decades of hands-on experience in pharmaceutical, biotechnology, and industrial applications, we ensure every product is engineered to meet the most stringent **GMP, GLP, and international quality standards**. Our product portfolio ranges from **Clean Room & SS Furniture, GMP Change Parts, SS Vessels, LAF Units, Glove Boxes, Dynamic Pass Boxes, Dispensing Booths, Dissolution Bowl Trolleys, Anti-Vibration Tables, HPLC Stands, Vacuum Desiccators, ASTM Sieves, Fume Hoods, Biosafety Cabinets, and Custom Fabrications** — designed to optimize **efficiency, compliance, and operational safety** in regulated environments. With strong technical know-how, in-house manufacturing capabilities, and a customer-centric approach, **SPOC Scientifics acts as a trusted partner in delivering precision-built, durable, and innovative solutions** for laboratories, pilot plants, and production facilities. We are committed to **continuous innovation, strict quality control, and responsive technical support**, ensuring that our clients gain maximum value and reliability from every installation.

Why SPOC Scientifics The 4 Core Strengths

- ✓ Comprehensive Cleanroom & Laboratory Solution
- ✓ Modular Furniture & Stainless-Steel (SS) Fabrications
- ✓ GMP-Compliant Ancillaries & Specialized Equipment
- ✓ Custom Facility Works & End-to-End Engineering Expertise

Clean room equipment	Clean room & SS Furniture	Modular Furniture's & Materials Handling	Ancillaries & Accessories	Facility Works & Custom Fabrications
- Static Pass Box & Dynamic Pass Boxes - Dispensing Booths - Ceiling Suspended Laminar Air Flow System - Laminar Air Flow System - Glove Boxes - Fume Hoods & Biosafety Cabinets - De-Dusting Tunnel - Sterile Garment Cabinet - Air Shower - Grade A Trolley	- Garment cubicle - Change Room Lockers - Shoe Racks & Shoe Lockers - Storage & Apron Cabinets - Multipurpose Cabinets - Die Punch Cabinet / Trolley - SS Ducting & SS Staircase - SS Chairs, Tables & dust bins - SOP Stands - Storage vessels - Ss Scoops & scrappers - SS Ladder, SS Sink - Cross Over Benches - HPLC Stands	- Working Tables - Anti-Vibration Tables & Conveyors - Storage Cabinets - GI Powder Lab Furniture - SS Vessels & Trolleys - Multipurpose Trolleys - Conveyors & SS Pallets - Dissolution Bowl Trolleys - SS Sampling rods - Vacuum desiccators	- GMP Change Parts Or Tools - Instrument Storage Cabinets - Tray Dryer - Cone Mills & Spray Nozzles - ASTM Sieves	- Specialized Stainless Steel Fabrications - Ancillary SS Equipment for Pharma Production - Custom-designed Pharma & Lab Solutions And Many More...

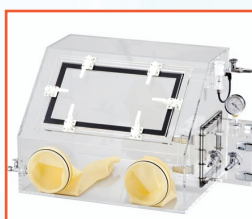

★ The above represents a broad overview ; we provide a full range of GMP, Production, and specialized fabrication items.
